Pharmex is an international event which is held annually in Iran. The event will have 4 main sectors, including:

**PharmaPack**  
**PharmaTech**  
**Cosmex**  
**APIs**

## B2B

**Research and reports**  
**Side Events**  
**Training and development**  
**Leaders Programme**

## About The Event

Last year the exhibition was held as Pharmex Middle East in Tehran's Olympic Hotel Expo Center. In this pharmaceutical event more than 150 domestic and 60 foreign companies showcased their products and solutions to the visitors.

During Pharmex 2020 more than 50 workshops, showcases and conferences were held to let both visitors and exhibitors increase their knowledge in the provided situation.

Also Pharmex Awards was held on the top 3 solutions of last year. one of the most important parts of the last year event was the visitors presence profile which 100% of those were top managers and evaluated the event "important" for their business.

## Why Exhibit?

Pharmex is a great opportunity to connect with the MENA's market leaders, find new potential needs and also maximize your brand exposure to the region's audiences, especially Iran in one single location. The whole supply chain will be showcased in 4 different sectors.

## Why Visit?

Pharmex gathers together industrial players from Middle East, North Africa, Europe and Asia under one roof where you can:  
Meet the whole supply chain in one location  
Make contact with entire Iran's Pharmaceutical industry  
Take part in Pharmex Awards, scientific conferences and showcases.
